The key findings of the survey:

Communications

In response to the survey questions on about the University's communication arrangements in the Summer Term, 37% of students were satisfied or very satisfied and 35% were dissatisfied or very dissatisfied. A number of comments acknowledged that the and belated guidance from the regulatory and management is to the institution had impeded decision making in March. Concerns related to communications were also seen as inefficient, unclear, lacking in substance, and inconsistency. Unchic43.9 (a(f)1)2.4 (b)

need to raise students' awareness that active engagement was a sine-qua-non of learning, success, and a rewarding student experience.

In response to the RUSU Education Officer suggested that the negative sentiment a value found to be more money coming in at LU, but at the end, at least sense that they were not benefiting from social life-and extracting which was so important to student's experience of university and personal development. He noted that

In response

Co behemed that the University was already fulfilling the values and principles set out in the new Code, but considered that there would be benefit in reviewing the practices in the light of the new Code, identifying areas where practice could be improved and could fulfilment of the Code could be evidenced.

The President noted that Council was all informed on the respective students, though the efforts of Senate and the Student Experience Committee, but that currently there was no data collection regarding the way which Council could not respective of the professional services. The Council welcomed Gordon and Mr Magee for all owing discussion with Heads of Closure relations with professional services and all Co Co and Co .nt but ons

The President thanked the Committee for its study of the Prevent Dynamical etc.

Resolved:

1. That the terms of office of the date specified: ll owing be extended
   Kate Owen (to 31 July 2024)
