18/12 Matters Arising

18/03 Non-Technical Summaries

18/03 17/21 17/13 17/03 Severity Data
It was agreed that data on animal use by external clients should also be included in the data published along with a clear explanation of what was included. Thi (s)-4.09-315.99 (c)-c998in ti.004 ()9.004 (w)-2.998 (a)5 (r)-30.998 (it)a o.612 (la) b.99

As the opening date for the new unit drew closer, researchers would need to consider winding down certain studies and colonies.

The Regulation/role of the ERK1/2 cascade in the heart

In particular, it was noted that substantially fewer animals than anticipated on the project licence would be used because:

Research focussed very quickly towards the kinases considered
